RIDE SAFE is a Rider Responsibility Event dedicated to all aspects of riding safely - on the road, in open countryside and at shows.

RIDE SAFE covers what to wear, discussion about hazards you may encounter & how to deal with them. It is a follow-up to the British Horse Society's televised and highly acclaimed 2017 DEAD SLOW campaign which aimed at encouraging drivers & cyclists to "Pass Wide and Slow" - the video of which was viewed more than 2.6 million times on-line.

ALAN HISCOX, the British Horse Society's Director of Safety, has had 26 years equine experience as a Mounted Police Officer. He will give a talk and video presentation.

TIM BRIERS, BHS Riding & Road Safety Assessor & Trainer - Stage 3 in coaching Horsemanship, will instruct 4 'guinea pig' riders on the soon to be updated Riding & Road Safety Test.

The BHS has also launched the **RIDE SAFE AWARD** to provide riders with the knowledge to protect themselves and their horse. It covers all aspects of riding so it is very important that you are aware of this Award. It is accompanied by a comprehensive "*Ride Safe Guide*" that teaches riders how to manoeuvre in traffic, and what to do in a difficult situation on the road. Anyone 11 years or older can take the Award at selected BHS Approved Centres and It will be essential for those just beginning their BHS qualifications.

Equisafety Ltd with their latest Hi Viz clothing and other safety wear for riders and horses, and **Myrocam UK** - suppliers of head and body safety cameras, have also been invited to this event.
