Before the championships

Rules and Regulations

This competition will run under British Riding Club rules. It is important that all competitors are aware of the rules relating to this competition – please see the current BRC Handbook in conjunction with the BRC Rule Amendments and Changes document which can be found at the link below: <http://www.bhs.org.uk/enjoy-riding/british-riding-clubs/brc-handbook>

Some rules and regulations may be subject to change following up to date Covid-19 guidance. Any updates will be published on the BRC website. Please ensure you follow these to ensure the safety of all staff, volunteers and competitors.

Entries

Entries are by invitation only to those that have qualified. They will be sent to the team manager from the qualifier with instructions on how to process them. Please note entries close on **4 March 2021**.

Times

Times will be posted on our website www.britishridingclubs.org.uk approximately one week before the championships. Times are selected randomly by computer and cannot be altered.

There will be important competitor information released with the times, which must be read before leaving for the competition. Please note that competitors should be ready to jump before their time in case the competition runs early. Please check with the collecting ring steward on the day.

Stabling

For stabling information, including making a stable booking, please see the following link: <https://brc.bhs.org.uk/ridingcluborder>

Take care when booking stables to ensure you are booking on to the correct championship. Making a booking for the wrong championship could risk there not being a stable available.

Hook up

Hook up will be available throughout the weekend on a first come first served basis. Please contact the stable manager via email (megan.gibbs@bhs.org.uk) in the first instance to get your hook up form to then return with payment.

Flu Vaccination Certificates

All competing horses and ponies must have an up-to-date full flu vaccination certificate and comply with BRC rules. If your flu vaccination does not comply, or you do not bring the complete record with you, you will be eliminated.

Please refer to the current BRC Handbook for the full rules on vaccination certificates, this can be found on the BRC website as a downloadable file. A flu vac checker is also available from the downloads section of the BRC website.

Refund Policy

Failure to decline a championship invitation before the close of entry so it can be passed down the line may result in the club being charged the entry fee. Entries withdrawn before the closing date will be refunded. Entries withdrawn after the closing date will not be refunded.

In the event of a withdrawal, stable and hook-up bookings will be put on a refund wait list and if the stable and/or hook-up space can be filled, a refund will be issued; if the stable or hook-up space is not filled, there will be no refund.

In the event of this championship being cancelled, refunds will be as per the BRC Handbook.

Hats & Body Protectors

Hats meeting the current standards must always be worn and securely fastened when mounted. It is also advised to wear a hat when handling on the ground. Body Protectors are not mandatory but may be worn. Up to date standards can be found in the BRC Handbook or on the website.

Timetable

Classes are provisionally scheduled to start and finish at the following times. All times are approximate and subject to change. Updated information will be available on the BRC section of the BHS website or BRC Facebook page. The organiser reserves the right to cancel, add to and alter the details in which any competition is scheduled to take place, or amend any competition times or alter the published timetable for the show as they deem appropriate.
